COUNCIL OF EUROPE SIMULATION

CIVIC & LEADERSHIP
ACADEMY
ERASMUS+

Participants represented countries, media, and chairpersons in a debate on a complex international issue. The simulation developed critical thinking, diplomacy, negotiation, and public speaking skills.

ACTIONBOUND CHALLENGE

Participants explored Sunny Beach in international teams while completing creative missions and solving challenges. The activity strengthened teamwork, communication, and problem-solving skills.

SOCIAL ISSUES HACKATHON

CIVIC & LEADERSHIP
ACADEMY
ERASMUS+

Teams worked on real social and civic problems, developing innovative solutions and presenting their ideas. The activity encouraged creativity, teamwork, and active citizenship.

ICEBERG MODEL SESSION

CIVIC & LEADERSHIP
ACADEMY
ERASMUS+

Participants explored the deeper causes behind social issues by analysing events, patterns, structures, and mindsets. This helped them better understand complex societal challenges.

PUBLIC SPEAKING WORKSHOP

Participants learned the fundamentals of public speaking and applied them in practical simulations. The workshop improved confidence, communication, and presentation skills.

OSCARS NIGHT

Participants celebrated the end with a fun awards ceremony, voting for different categories inspired by memorable moments and personalities from the project. This provided an opportunity to reflect, appreciate one another, and end the project on a positive and emotional note.
